SETTING THE MOOD

INVITATIONS

There are many design options for invitations with this theme so you can get creative:

- Use of the signature colors orange
 and black
- A customized crest-shaped invitation
- An emblem that means something to the attendees, something they will recognize

ENTRYWAY

The entryway will be fashioned as a metal shed with biker signs placed atop. Neon signs and motorcycles will be placed out front to greet guests and get them excited for the night ahead.

PRE-FUNCTION AREA

Guests can enjoy a drink while socializing around cocktail tables made from motorcycle wheels.

MAIN ROOM

Guests can dance the night away on a checkered dance floor with flames and your event logo projected on top.

STAGE AREA

Staging will be designed similar to the entryway using metal, trussing, and lighting.

DÉCOR

Elements of décor from this theme will include corrugated metal, neon signs, and motorcycle tires. Motorcycles displayed around the room will awe the guests.

FURNITURE ACCENTS

Guests can relax on black leather couches, black video chairs, or at low coffee tables. Furniture groupings will be placed around the room for guests to visit and enjoy the party. Video screens will be placed to show video for the event.

CENTERPIECES

There are a several options for centerpieces:

- Cut outs of the VIP guest riding his/ her bike
- Street signs
- Speed limit signs
- · Biker inspired items
- An oil can bucket with flowers or street signs would be a great centerpiece as well

DINNER SET UP

Spandex linens will be used for the night in the theme colors for the evening, black and orange with silver accents.

BAR AND CUSTOM DRINK

Beer will be served in ice mugs with gloves to keep guests hands from getting too cold. Bartenders will serve drinks behind an ice bar to match the serving glasses. To carry the theme through a customized kegerator will be used to serve beer.

ICE SCULPTURE

A motorcycle shaped ice sculpture will be great for this event. This will be displayed on the buffet table with small tires to lift the food to different levels.

ENTERTAINMENT

Tatted Up

Guests can really take part in the atmosphere of the night by getting their

own tattoos. Don't worry they will be temporary tattoos that wash off at a later time to avoid pain and regrets.

Ride or Die

A gaming area can be created using motorcycle Wii games, there could be a best biker outfit contest, or naming the best biker babe and biker dude of the evening.

PHOTO OPS

Have an area set aside for guests to take pictures. People always love having pictures to take home or that they can see on social media to look back on what a fun time they had at the event.

This photo opportunity will feature a backdrop of a road and have motorcycles set in front of it.
